The *Carl Banks Celebrity Golf and Poker* **TOURNAMENT** is a fundraising event on October 12, 2010 at Alpine Country Club in Alpine, NJ for Hackensack University Medical Center Institute for Child Development which provides research, treatment and education to individuals whose lives are impacted by autism in our country. All of the funds raised from this event will be used to support the research and treatment for a problem that impacts 1 in 90 individuals in the tri-state area and 1-150 nationwide. My twin nephews Ryan and Phillip Cohen are functioning with autism.

I humbly request your assistance in making the **Carl Banks Celebrity Golf and Poker Tournament** a success. You will be making a tax deductible contribution that will help by becoming a sponsor.

**Hackensack University Medical Center Institute for Child Development** continues to help make life better for individuals in need right here in our community and nationwide. Additionally, you will benefit from exposure of your company's name to those who attend the event. Donors will be listed on the event program, and the merchandise you give will be on display through the event. As a sponsor you will be invited to attend the event and socialize with existing and potential customers.

Won't you consider supporting the continued work of those dedicated to solving the autism puzzle? You may reach me at:
